Community Supports

Community Supports are services or settings that MCPs may offer in place of services or settings covered under the California Medicaid State Plan --Community Supports are <u>not</u> plan benefits

Community Supports are intended as medically appropriate, cost-effective alternatives to a State Plan Covered Service

Community Supports are optional for MCPs to offer and for Members to utilize

MCPs may not require Members to use a Community Support instead of a service or setting listed in the Medicaid State Plan

14 Community Supports

- Housing Transition Navigation Services

- Housing Deposits

- Housing Tenancy and Sustaining Services

- Short-Term Post-Hospitalization Housing

- Recuperative Care (Medical Respite)

- Day Habilitation Programs

- Caregiver Respite Services

- Nursing Facility Transition/Diversion to Assisted Living Facilities

- Community Transition Services/Nursing Facility Transition to a Home

- Personal Care and Homemaker Services

- Environmental Accessibility Adaptations (Home Modifications)

- Medically-Supportive Food/Meals/Medically Tailored Meals

- Sobering Centers

- Asthma Remediation

Community Supports: Internal/External Education

How has your plan addressed or is planning to address educating plan staff about community supports?

How has your plan addressed or is planning to address educating external stakeholders [palliative care providers] about community supports?

Community Supports: Determining Eligibility

How has your plan addressed members acute (urgent) needs for community supports?

How has your plan addressed providing community supports proactively as preventative measures?

Community Supports: Addressing Transitions

How is your plan addressing transitions off of community support programs?

Community Supports: Orienting Providers to MCP Business Practices

What are the biggest challenges community supports providers have faced and how have you successfully addressed them?

How is your plan orienting community support providers to plan business practices (e.g., contracting, billing, etc.)?

Community Supports: Pairing Community Supports and Palliative Care

What community supports has your plan offered as a combination, before or after palliative care?
