2026 Annual Summit Sponsor Opportunities

Join the Coalition for Compassionate Care of California as an **Event Sponsor** and get your name in front of frontline healthcare providers, leaders, and decision makers.

As an **Event Sponsor** of California's only cross-sector conference focused on advanced illness care, the 18th Annual CCCC Summit, your organization will be viewed as a leader in the mission to improve person-centered care for all seriously ill Californians and those who love them.

Your organization will receive **name recognition and promotion leading up to the Summit and throughout the two-day event**. The event offers generous breaks in the educational program for direct interaction with up to 250 attendees.

Many attendees are clinical and administrative leaders in palliative care, hospice care, AIM, pediatric palliative and supportive care; others are frontline staff with direct responsibility for care of patients and families.

Details and applications follow. For more information, contact info@CoalitionCCC.org or (916) 489-2222.
